AUTOMOBILE TIRES

Guaranteed 7000 Rile Service Absolutely Puncture Proof

Double Service Tires are double the thickness of the best standard make

This 100 percent greater wearing surface naturally gives that much more mileage and service. The average of 12 miles of tough fabric and one inch surface tread rubber makes these tires absolutely puncture proof.

These tires excel all others for use in the country over rough and rugged roads as well as on hard pavements. They are as easy riding and resilent as any other pneumatic tire-the air space and pressure being the same.

They are the most economical and 'care free'' tires made and are used where tires must be depended on and tire troubles cannot be tolerated. Mr. and Mrs. L. P. Davis, Albert 1 high grade shorthorn bull, 14 months Many Double Service style tires are in use in the United States government and European War service.

Woman Finally Recovers From Nervous Breakdown

Adv 9

Improverished nerves destroy many people before their time. Often be-fore a sufferer realizes what the trouble is, he is on the verge of a complete nervous breakdown. It is of the utmost importance to keep your nervous system in good condition, as the nerves are the source of all bodily power. Mrs. Rosa Bonner, 825 N. 18th St., Birmingham, Ala., says:

"I have been suffering with nervous prostration for nine or ten years. Have tried many of the best doctors in Birmingham, but they all failed to reach my case. I would feel as if I was smothering; finally I went into convulsions. My little girl saw

Dr. Miles' Nervine

advertised in the papers and I at once began to take it. I continued to take it for some time and now I am well."

If you are troubled with loss of appetite, poor digestion, weakness, inability to sleep; if you are in a general run down condition and unable to bear your part of the daily grind of life, you need something to strengthen your nerves. You may not realize what is the mat-ter with you, but that is no reason-why you should delay treatment.

Dr. Miles' Nervine

has proven its value in nervous disorders for thirty years, and merits a trial, no matter how many other remedies have failed to help you.
Sold by all druggists. If first bottle
fails to benefit your money is returned. MILES MEDICAL CO., Elkhart, Ind.
